Npedia Technologies Pvt. Ltd. Software License, Version 2.0

Licence Agreement

By using this software (or any work based on the software) you shall be deemed to have accepted the terms and conditions set out below.

Npedia is making this software available on the basis that it is accepted as found and that the user checks its fitness for purpose prior to use.

Npedia grants you a limited non-exclusive licence to use this software, subject to the following restrictions:

1. You may not make and give away verbatim copies of this software for personal use.
2. You must not alter the software, user licence or installer in any way.
3. This notice may not be removed or altered from any distribution.
4. You may not resell or charge for the software.
5. You may not reverse engineer, decompile, disassemble, derive the source code of or modify [or create derivative work from] the program.
6. You must not use the software to engage in or allow others to engage in any illegal activity.
7. You acknowledge that Npedia owns the copyright and all associated intellectual property rights relating to the software.

This software licence is governed by and construed in accordance with the laws of India and you agree to submit to the exclusive jurisdiction of the Indian courts.
